Our organisation owns and operates in excess of forty venues throughout NSW & QLD.

Dealing with the LGA's is not always easy and can be discouraging to say the least. This SEPP will make it easy to understand our obligations and streamline the application process.

As we all know, your local pub is where people catch up with friends for a drink and a bite to eat but it's also where local artists can exhibit their talent and be discovered.

This SEPP is the most encouraging thing to happen for emerging artists of all ages and talents and we at Oscars Hotels support them and the proposal.

I agree to the above statement
