MANLY

### Please provide your view on the project

I am just providing comments

### Submission

How on earth is Council going to control any anti-social behaviour on Council Parks, Reserves and Beaches if these relaxations in controls are adopted when Council is a toothless tiger when the Council controlled East Esplanade Park and similar areas become party central for under age drinking, drug taking, no respect for private property which they use for their toilets, etc etc. I wonder what the regions Police Commanders have to say about these ideas.

### I agree to the above statement

Yes
