This is unbearable to think this is coming...we live in Chippendale

already the streets have been use in this manner.. letting people in using our streets and lane ways..what about the residents who live here! I can see no member of council living in Chippendale, if it was it wouldn't be there street to be used as a music venue... we have no say!

You should just try and live next to some of the young people so called students, playing boomb boomb music morning to noon & into the night, until very late after 2am or later.. then up at 4.30 to 6am starting all over again... Then the Chippendale Hotel playing boom boom music 10am all day with the doors and windows open until 11.30pm. Can not even enjoy a weekend open a door for fresh air or watch TV "without" loud loud music BEATING AWAY ALL DAY & NIGHT...We life here, you the Council bring more people in to Chippendale, it ends up the same way and the residents end up doing the cleaning up. Not you the Council workers as you- they privatized it out, and they do a Terrible job..

These young adult mostly spoilt kids, they start having fun, then it ends up in fights, spreads out on the streets stopping traffic,

leaving broken bottles, vomit, urine for the men pissing in the side streets, rubbish left behind. Smoking pot in front of who ever is walking past. Then they can sit in the street, not a care, never wanting to leave..

Its a very bad look for Sydney.

KEEP the 24hours up at Kings Cross. Please keep Chippendale as is..

safe to walk at night...

We have children and grandchildren living here in Chippendale, we walkabout alot. please keep us SAFE...
