Submission

I am writing on behalf of Screen Producers Australia, the industry body representing Australia's independent screen production sector. Thank you for the opportunity to make a comment on the proposed changes to support outdoor dining, artisan food and drink premises, events, and small live music or arts venues.

I am writing to support the proposal to remove the 30 day limit for exempt filming on private property.

The proposal will ease red tape, enable more confidence in production scheduling, boost business confidence and remove inefficiencies.

This additional support will be beneficial for the industry as it recovers from 18 months of uncertainty and heightened bureaucracy. Thank you again for the opportunity to comment.
