Subject: Fun SEPP- Late submission- Mobile food trucks

Hi Codes SEPP Team

I understand I've missed the submission date for feedback concerning the Fun SEPP.

However for the provisions for mobile food vans, it would be good if the SEPP included no flashing lights and provisions to protect from light being directed onto neighbouring properties and or the road.

Drivers may find flashing lights associated with mobile food vans distracting or dazzling. Council had a complaint recently about a mobile food truck operating under the SEPP with flashing lights near a busy intersection and there wasn't anything Council could do about this matter under the current provisions.

Yours sincerely
