12. Application fee

Part 15 Division 1 of the Environmental Planning and Assessment Regulation 2000 sets out how to calculate the fees for development applications.

For development that involves a building or other works, the fee for your application is based on the estimated cost of the development. If your application is for integrated development or requires concurrence from another State agency, you will need to include additional processing fees. If your development needs to be advertised to the public you may also need to include an advertising fee.

Note: Advertising fees attract GST, all other fees do not. Contact the Department if you need help to calculate the fee for your application.

13. Political donation disclosure statement

Persons lodging a development application are required to declare reportable political donations (including donations of or more than \$1000) made in the previous two years. Disclosure statements are to be submitted with your application.
