Dear Sir/Madam

I attach the following documents:

1. A submission on the Design and Place SEPP on embodied carbon and biodiversity;
2. A supplementary submission on the Design and Place SEPP on food waste; and
3. A thesis paper by Mr Hunter Wardman on greenhouse gas emissions on food waste to accompany the supplementary submission.

Please note that, other than names, we would like to keep the personal information of signatories to both submissions confidential for privacy reasons.

Thank you for your attention.

Kind regards

Janice Baird
