We can solve the Sydney's burial space crisis, for the next 100 years!
500 acres of perfectly landscaped, appropriately zoned land, in Sydney Basin.

Cemeteries should be Land Tax exempt if you want them to be viable in PERPETUITY, how can you put a land tax on the dead and their grieving families?

We have been talking with government for over 7 years, to no avail, i.e
The planning department, Crown Lands, 'Have your say', Rookwood, CCA, Cemeteries & Crematoria NSW, Councils, GSC and Ministers.

Your staff & leaders keep changing, so you lose our details along with the vision & opportunity.
