Submission

- 1) Limit all future new building maximum heights to be 8 storeys/33m.
- 2) More park land within the central precincts. Conservation of Sydney Olympic Park image as a healthy lifestyle with low rise buildings and lots of greenland or natural jungle NOT concrete jungle for healthier, relaxing and family reunion heaven.
- 3) To ensure sustainability and not building a 'ghetto' town and development will enhance value of existing owners of units of Sydney Olympic Parks.

I agree to the above statement Yes
