Hi, this is great ! with metro line coming at Sydney Olympic Park will this mean the T7 line will be made redundant?

**I agree to the above statement**

Yes

I wish they do away with T7 line once metro is up and running. The train noise from T7 line is unbearable and affecting health and mental well being of the residents in and around Australia Avenue. Please refer to the petition signed by over 390 people .

<https://www.change.org/p/transport-for-nsw-apply-acoustic-control-on-railway-line-at-sydney-olympic-park?redirect=false>

I really want the NSW planning commission to invest in infrastructure that makes people lives better and look into fixing issues first then build new infrastructure.

Sydney Olympic park is promoted as a sustainable suburb but with noise pollution from this train line is question mark to that very sustainability if health and well being of the residents are not the priority of the government.

Please do get back to me on this.

**I agree to the above statement**

Yes
