

Submit a Complying Development Certificate Application

Complying development is a fast-track approval process for straightforward residential, commercial, and industrial development. Please consult with your registered certifier or the local council for advice on whether your development falls under Complying Development and discuss supporting document requirements before applying for a Complying Development Certificate.

To apply for a Complying Development Certificate (CDC) via the NSW Planning Portal, you will need a NSW Planning Portal account. To register a new account, refer to the *Registering for the NSW Planning Portal* quick reference guide or video.

Getting started

1. Click New and **select** Complying Development Certificate from the dropdown list.

Note: A new application will start with a status of 'In progress'. The status will remain as 'In progress' until the application is submitted.

To submit a CDC application, there are up to six pages that must be completed:

- Applicant details
- Development details
- Practitioner details (class 2 developments only)
- Certifier details
- Requirements and uploads
- Review and complete.

Capturing Applicant details

Note: Mandatory fields are marked with an *asterisk. You must complete all mandatory fields on the application. The certifier may request additional information in relation to your application at any time during the application process.

2. Enter the primary applicant's details.

Note: Your user profile name and contact email address will automatically populate in the applicant detail fields these fields may be edited as required.

3. Indicate if you are applying on behalf of a company.

If Yes, **search** to locate the company / business by a keyword. Use the drop-down menu to **select** a search option.

Indicate if the company is the nominated applicant for this application.

Note: If you wish to search by ABN, select ABN from the drop-down list, then enter the entity ABN in the space and click the search icon. If you cannot locate the company details by searching you may select the 'Not found?' checkbox and enter the details manually.

4. Identify the owners of the development site.

If there are multiple owners, **select** the appropriate button and **click** 'Add Owner'.

If you are not one of the owners, you will be required to populate the contact information for all owners. You can add as many additional owners as required by **clicking** Add Owner.

If a company or business owns the development site, **enter** the company name and ABN.

Note: If you are the sole owner of the site, you will not need to provide additional information.

If you are one of the owners of the site, you will be required to populate the contact information for all other owners. Your information will automatically be populated, and you are able to add as many additional owners as required by clicking the Add Owner button.

You may be required to complete the declaration below to continue.
