Dear [REDACTED]

Thank you for the opportunity to comment on the draft Strategic Framework. I note we previously provided comment on the draft Social Infrastructure and Needs Assessment. I would like to make the following additional comments on the Social Infrastructure and Needs Assessment:

- Page 13: the reference to the redevelopment should be updated to reflect that the NSW Government has committed \$450 million to deliver Stage 2 of the Nepean Redevelopment with enabling works currently underway on the Nepean Hospital campus. You can find more information about the redevelopment here:
<https://www.nepeanredevelopment.health.nsw.gov.au/>
- Page 26: could you please change 'Nepean Hospital is a 520-bed teaching hospital for the University of Sydney and the tertiary referral hospital for the NBMLHD' to 'Nepean Hospital is a teaching hospital for the University of Sydney and the tertiary referral hospital for the NBMLHD'

Many thanks
Thea

Dear [REDACTED]

Please see below an additional piece of feedback. This comment relates to the references throughout the Strategic Framework and Social Infrastructure and Needs Assessment to the HealthOne:

The NSW Government has committed to providing a HealthOne facility for the Nepean Blue Mountains Health District. A lead design team is currently investigating suitable HealthOne locations, which includes Orchard Hills. We look forward to sharing more information as the project progresses.

Thank you

Thea
