Hi [REDACTED],

I've been given the Draft GPEC Strategic framework [REDACTED]. DPE-Water Group - comments and tracked changes are attached.

All quite minor but I do have a couple of questions that require clarification:

- Why isn't the Greater Sydney Water Strategy listed as a key strategic document in the Strategic Planning Section?
- Why is the requirement for an IWCM strategy limited to Orchard Hills and not the other precincts?

Kind regards,

Matt Jessup
